

Thank You

We would like to take this opportunity to thank our friends and family who have traveled near and far to share this day with us. We are beyond grateful to have you in our lives and cherish the memories we have with all of you. Your presence is what makes today such a joyful and blessed occasion, and we are truly honored that you are here to celebrate this new beginning. We feel lucky to have such amazing people in our lives.

And to our parents, none of this would be possible without your love and support. Thank you for making us the people we are today and for providing us with the foundation to start this next chapter of our lives. You showed us what it means to be caring, loving, trustworthy partners, taught us the importance of love and friendship, and supported us every step of the way. We love you more than you will ever know!

Love always,
Nimit and Chandni
