

Please note, In lieu of traditional wedding favors, we will be donating to the following charities on behalf of our guests

The Malala fund

I was in high school when I heard Malala had been shot after speaking out on women's right to education. Seeing a girl just a few years younger than me put herself at so much risk changed the way I thought about education and helped me see that true strength was so much more than just physical fitness. The Malala Fund's mission to ensure every girl, everywhere, has access to 12 years of free, safe, and quality education is something that resonates strongly with me.

NJ State Men's Gymnastics

As someone who spent more than half of his gymnastics career in New Jersey, supporting NJ State Men's Gymnastics is giving back to the sport that shaped me. Even 6 years after I left NJ to go train at Stanford, the NJ gymnastics community welcomed me back with open arms and went above and beyond to help me continue chasing my Olympic dream while Covid was raging. Maybe you, like me, dreamed of competing in college but opportunities were limited. By supporting the program, we're investing in creating those very opportunities for future New Jersey gymnasts.

KitTea Cafe

As animal lovers we've always cherished the companionship and joy pets bring. Priy grew up with her beloved siamese cat Misty, and Akash has been a loving (sometimes too loving) uncle to Koral's adopted cats Kiki and Nala. Because of this deep fondness for animals, we've chosen to donate to KitTea Cafe, a local organization dedicated to finding loving homes for rescued felines. We believe every cat deserves a chance at happiness, and by supporting KitTea Cafe, we hope to help more kitties find their forever families.
